Subject: Dues Statement FY 2017-18 and Roster Update

The West Point Society of Naples (WPSN) Board of Directors continues to execute its primary mission to recognize and assist talented local students interested in West Point, as well as to support quality events and meetings that include all area graduates, families of cadets, current cadets, and candidates aspiring to West Point.

Additionally, substantial effort and resources are expended to represent our alma mater to the Collier, Lee, and Charlotte County communities. These admissions and community outreach activities are critical to our Society's mission and are a constant funding challenge. Individual dues (unchanged since our inception) and all donations are tax deductible. We have a 501(c) (3) tax exempt status.

Please return this statement promptly, participate in the efforts of the West Point Society of Naples, and BEAT NAVY!
